Description:

One character, one landscape, and the rest lies on you! In our category, you will create an enchanting landscape with the essence of a character, both randomly assigned by the organizers. Whether you're going traditional or digital, your goal is the same. So get your thinking caps ready and make the most of your canvas!One character, one landscape, and the rest lies on you! In our category, you will create an enchanting landscape with the essence of a character, both randomly assigned by the organizers. Whether you're going traditional or digital, your goal is the same. So get your thinking caps ready and make the most of your canvas!

Category's Details:

Time limit – 10 hours traditional; 6 hours digital (4 hours/day given)
Delegate cap - 1/delegation

Description:

- Each delegate will be randomly assigned a character and a landscape, with the list at the end of the document.
- The delegates will have 10 hours (6 hours if digital medium opted) to create a work of the landscape from the point of view of the character.
- The point of view of the character can be expressed via any numerous of ways, not just via art style and such. The more creative a piece, the better.
- The incorporation of the landscape is up to the artist themselves, be it focusing on the architecture or more on the landscape or maybe even integrating the ecology.

RULES

- Tracing: Tracing is strictly prohibited. Participants are expected to draw freehand.
- Pre-Made Elements: Participants may not use pre-made or external elements (like stencils or printed references) in their work.
- Preparation: Come prepared with sketching materials, preferred mediums (pencils, charcoals, pastels, paints or tabs/device for digital art), and any references that will help. (sketch paper will be provided *size:A3*) (canvas will not be provided)
