

## Pass & Play

### ART (COMPULSORY)

#### Description:

In this category, a pair of delegates will participate together, taking turns working on a piece of thematic artwork. Good luck.

## Round 1

*Time- 8 hours*

*Delegate Cap- 2, no more, no less*

*Elimination- nahin*

#### Round Details:

Delegates will be assigned a prompt at the start of the round and one of them will start working immediately. After an interval of time, the other delegate will take over and continue work on the art piece. Switches will happen at random intervals, but delegates will be notified 10 minutes before a switch. Timing will be the same for all teams.

All mediums are allowed **except for digital and 3d**.

All submissions must be on A3 size paper.

Delegates are expected to bring their own art supplies; the only thing we can provide is paper, but delegates are encouraged to bring their own A3 sheets as well.

#### Judging Criteria for Round:

- /10 **Coherence** (How well does the piece work overall?)
- /20 **Integration** (How well does the piece integrate the theme?)
- /10 **Use of Medium** (How well have the delegates used their media of choice?)
- /10 **Detail** (self-explanatory?)
- /25 **Proportionality** (How realistically have delegates illustrated their chosen subjects?)
